1. Introduction

a. Application of Conditions of Contract

- (1) Transportation by Southwest Airlines Co. (hereafter "Carrier") is subject to the following terms and conditions, in addition to any terms and conditions printed on any Ticket, or specified on the Carrier's website. The terms and conditions contained in this *Contract of Carriage* shall govern all published routes and services provided by the Carrier as well as all fares and charges published by the Carrier. This *Contract of Carriage* is subject to applicable laws, regulations and rules imposed by U.S. or foreign governmental agencies. In the event of a conflict between the terms of this Contract and such applicable laws, regulations or rules, the latter shall apply. By purchasing a Ticket or accepting transportation, the Passenger agrees to be bound by all of the following terms and conditions.
- (2) Carrier reserves the right, in its sole discretion and to the extent not prohibited by federal law, to change, delete, or add to any of the terms of this *Contract of Carriage* without prior notice. All changes must be in writing and approved by a corporate officer of the Carrier. To the extent there is a conflict between the *Contract of Carriage* and information printed on the Ticket or specified on the Carrier's website, the *Contract of Carriage* governs.
- (3) Applicable terms and conditions are those in effect as of the date a Passenger commences travel on a given itinerary. In the event these conditions of Carriage are amended after a Ticket is purchased but prior to commencement of travel in a way that substantially affects the terms and conditions of a Passenger's Carriage, a full refund of the Ticket price may be requested if the Passenger does not agree to be bound by the conditions as amended.

b. Definitions

Baggage means all luggage and contents contained inside, including suitcases, garment bags, tote bags, packages, camera and electronics bags, computer and equipment cases, briefcases, musical instruments, and similar articles, whether carried by the Passenger in the cabin or carried in the aircraft cargo compartments. Coats and wraps, when carried by the Passenger in the passenger cabin, will not be considered as Baggage.

Boarding Pass means a document issued by Carrier entitled Boarding Pass bearing the Passenger's first and last name, flight number and date, departure and destination airports, and a boarding group letter and number, which represents the Passenger's boarding group and reserved spot in the boarding group line. A Passenger must have a Boarding Pass to be considered as having Confirmed Reserved Space as defined in [Section 9\(b\)\(1\)](#). Boarding Passes may be obtained at [southwest.com](https://www.southwest.com), or at the airport from Southwest at: (1) E-Ticket Check-In kiosks (where available), (2) skycap podiums (where available), (3) ticket counters, or (4) departure gate podiums. Carrier reserves the right to restrict Boarding Pass distribution to the departure gate podium.

2. Reservations

a. Reservations

- (1) Confirmation of Reservations. A reservation on a given flight is confirmed by the issuance of a Ticket.
- (2) Cancellation of Confirmed Reservations.
 - (i) Passenger Initiated Cancellation Prior to Date of Travel. If a Passenger cancels his reservation prior to the date of travel, his ticket is eligible for a refund or the funds will be available for future use consistent with the fare rule and refund procedures specified in [Section 4c](#).
 - (ii) Check-in Requirements. Failure of the Passenger to obtain a Boarding Pass and be present, available, and appropriate as discussed in [Section 6](#) for boarding in the flight's boarding gate area at least ten minutes before the scheduled departure time may result in cancellation, at the Carrier's sole discretion, of the Passenger's reservation without notice. [Section 5](#) contains additional information on Carrier's check-in procedures.
 - (iii) No Show Policy. If a Wanna Get Away Fare segment on a domestic itinerary is not changed or cancelled at least ten (10) minutes prior to departure and the Customer does not travel, all remaining funds associated with the reservation are forfeited.

 - (v) Multiple Reservations. Southwest prohibits multiple reservations for the same Passenger departing from the same city on the same date. Furthermore, without notice to the Passenger or purchaser, Southwest may cancel such reservations or any other reservations that it believes, in its sole discretion, were made without intent to travel.
 - (vi) Limitation of Liability. Carrier is not liable for any type of special, incidental or consequential damages when it cancels the reservations of any Passenger pursuant to [Section 2a\(2\)](#); however, the fare paid for the unused portions of travel that are cancelled by Carrier may be refunded or applied toward the purchase of future travel in accordance with the applicable fare rules and with [Section 9](#).

b. Group Policies

- (1) Groups Booked as Individuals. When ten or more Passengers are booked by a single individual, company, corporation, booking agency, or other entity for travel on the same scheduled flight(s), the reservations must be made as a group through the Carrier's Group Desk, and all applicable group policies and procedures must be followed. If a booking entity fails to make such reservations as a group, Carrier reserves the right, in its sole discretion, to assess a penalty upon and/or revoke the authority of the booking entity to sell Carrier's transportation services.

Passengers who do not cancel their confirmed reservation will forfeit any unused funds pursuant to 2a.(2)(iii).

4. Tickets

a. Tickets

- (1) No person shall be entitled to transportation except upon presentation of a valid Ticket or proof of identification acceptable to Carrier to confirm that transportation has been purchased. Such Ticket shall entitle the Passenger to transportation subject to this *Contract of Carriage* and, in particular, certain terms and conditions as follows.
 - (i) Such Ticket is valid between the points of origin and destination via the specific routing designated on the Passenger's itinerary only.

Carrier is not liable to the holder of a Ticket for use or refund of such Ticket when presented by a person other than the person to whom the Ticket was issued. If a Ticket is used by a person other than the person to whom it was issued, Carrier shall not be liable for the loss, destruction, damage, or delay of such unauthorized person's Baggage or other personal property or the death or injury of such unauthorized person arising from or in connection with such unauthorized use.
- (3) Purchase of Additional Seat. The purchase of more than one seat for use by a single Passenger is required when necessary to transport large musical instruments or electronic audio/video, medical, or otherwise sensitive equipment unsuitable for Carriage as Checked Baggage, as specified in [Section 7](#).

It is the Passenger's responsibility to notify Carrier of any unique seating needs. In accordance with [Section 6](#), Carrier may refuse to transport individuals who are unable or unwilling to comply with Carrier's seating requirements. Purchase of more than one seat for use by a single Passenger for the sole purpose of ensuring additional personal space is prohibited, except in limited circumstances when the Carrier, in its discretion, permits it.

b. Ticket Acceptability

- (1) Tickets Accepted. Carrier will accept only its own Tickets. Any Tickets issued in conjunction with travel on another airline will not be accepted unless required by federal government regulation or at the Carrier's sole discretion.

 - (i) Cancel any remaining portion of the Passenger's itinerary.
 - (ii) Refuse to allow the Passenger to board or check Baggage.
 - (iii) Confiscate the Ticket.
- (3) Paper Tickets. When a Passenger loses his paper Ticket or a portion of his paper Ticket, the Passenger will be required to purchase another Ticket, at the fare at which the Ticket or portion thereof was originally purchased, before transportation will be furnished for the itinerary on the lost Ticket. Carrier will not replace or refund lost paper Tickets.

c. Refunds

- (1) Refundable Tickets. The fare paid for unused travel by Passengers who purchase fully refundable, unrestricted Tickets, including taxes, security fees, and Passenger Facility Charges, may, for any reason and upon surrender of the unused Ticket, either be refunded or applied as travel credit toward the purchase of future travel for the originally ticketed Passenger. Such refund or travel credit must be requested within the Ticket's eligibility period. Refund or credit requests will not be honored after the Ticket's expiration date. When the Ticket combines a fully refundable fare with a Wanna Get Away nonrefundable fare and the Passenger does not travel on the Wanna Get Away segment and has not cancelled the reservation at least ten (10) minutes prior to the scheduled departure time, all unused travel funds will be forfeited in accordance with [Section 2.a.\(2\)\(iii\)](#).
- (2) Eligible fare refunds procedures:
 - (i) When no portion of the transportation has been provided, the refund or credit will be issued in an amount equal to the fare paid.
 - (ii) When a portion of the transportation has been provided, the refund or credit will be made in an amount equal to the difference, if any, between the total fare paid and the fare applicable to the transportation provided.
 - (iii) Carrier shall make eligible refunds in the same form as the original payment. Refunds for Tickets purchased with a credit card shall be processed for crediting to the same credit card account no later than seven business days from the date the refund request is received by Carrier. Refunds for Tickets purchased with cash will be issued by check no later than 20 business days after the refund request is received by Carrier.
 - (iv) Carrier shall make all refunds in U.S. dollars. See [Section 8](#) for additional information for international travel.

(3) Nonrefundable Tickets.

- (i) General. The fare paid for unused travel by Passengers who purchase restricted, nonrefundable Tickets are not eligible for refunds, except as provided in this Section and [Section 9b](#). Taxes, security fees, and Passenger Facility Charges associated with a nonrefundable fare are also not eligible for refund except as required by applicable regulations.
 - (ii) Travel Credit. Unless otherwise stated by Carrier, the fare paid for unused nonrefundable Tickets, including taxes, security fees, and Passenger Facility Charges, may be applied toward the purchase of future travel on Carrier for the originally ticketed Passenger only. The new Ticket may be more or less expensive or subject to different terms, conditions, or restrictions from the original Ticket. If the fare is lower, travel credit will be issued for the difference. No cash refund or credit card adjustments will be made for nonrefundable Tickets.
 - (iii) Travel Credit Eligibility. The expiration date of any travel credit will apply to any Tickets purchased with these funds. If a Ticket is purchased with multiple travel credits, the earliest expiration date will apply to the entire Ticket.
 - (iv) Travel Credit Forfeiture. Should a Passenger fail to apply the nonrefundable Ticket or travel credit toward the purchase of future travel within the eligibility period, the entire amount of the fare, including all taxes, security fees, and Passenger Facility Charges, will be forfeited.
- (4) Delays or Involuntary Cancellations. If a Passenger's scheduled transportation is cancelled, terminated, or delayed before the Passenger has reached his final destination as a result of a flight cancellation, Carrier-caused missed connection, flight delay, or omission of a scheduled stop, Carrier will either transport the Passenger at no additional charge on another of Carrier's flights, refund the fare for the unused transportation, or provide a credit for such amount toward the purchase of future travel.

Carrier is not liable to the holder of a Boarding Pass for use of such Boarding Pass when presented by a person other than the person to whom it was issued. If a Boarding Pass is used by a person other than the person to whom it was issued, Carrier shall not be liable for the loss, destruction, damage or delay of such unauthorized person's Baggage or other personal property or the death or injury of such unauthorized person arising from or in connection with such unauthorized use.

b. Check-in Requirements

- (1) Ten-Minute Rule. Failure of a Passenger to obtain a Boarding Pass and be present, available, and appropriate as described in [Section 6](#) for boarding in the flight's boarding gate area at least ten minutes before the scheduled departure time may result in cancellation of the Passenger's reservation without notice at the Carrier's sole discretion.

However, if the child is traveling without a confirmed reservation and no adjacent unoccupied seats are available, the child restraint device may have to be transported as Checked Baggage.
- (iii) Children 14 days old and younger than two years old traveling on a confirmed reservation, with or without the use of an FAA-approved child restraint device, will be charged the published Infant Fare (see [Section 3](#)) or lowest available adult fare, whichever is less.
- (iv) See [Section 8](#) for additional requirements for the Carriage of Children for international travel.

(2) Unaccompanied Minor Children

- (i) Children younger than five years old. Carrier will not accept for Carriage any child less than five years old unless accompanied by a Passenger at least 12 years of age.
- (ii) Children five through 11 years old. Unaccompanied children ages five through 11 years old will be required to use Carrier's unaccompanied minor service and will be accepted for Carriage by Carrier provided the child has a confirmed reservation and the flight on which he or she travels does not require a change of aircraft or flight number. However, any unaccompanied child age five through 11 years old will not be accepted for Carriage if, because of operational disruptions, the Carrier determines, in its sole discretion, that the flight on which the child holds a reservation is anticipated to terminate short of or bypass the child's destination. Carrier will not transport unaccompanied minor children on international itineraries. See [Section 8](#) for additional information.
- (iii) Child drop off and pick up. The parent or guardian who brings an unaccompanied minor child to the departure airport will be required to remain at the departure gate until the flight is airborne. Carrier must be furnished with documentation (duplicate of which must be in the child's possession) that the child will be met by another parent or guardian upon deplaning at his or her destination. The parent or guardian meeting the child at his or her destination will be required to present a valid government-issued photo ID and sign a release form designated by Carrier.

- (iv) Unaccompanied Minor Charge. In addition to the applicable fare, children for whom unaccompanied minor Carriage is required must pay the applicable unaccompanied minor charge. If travel does not take place, the charge is nonrefundable.

(3) Child Restraint Devices

Unless unoccupied seats are available on a flight, Carrier requires a reservation and purchase of a Ticket for Carriage of a child restraint device on board the aircraft to ensure that a child restraint device may be used during flight. Only federally approved child restraint devices are permitted for use aboard Carrier's aircraft. Federal regulations prohibit the use of child booster seats and harness-or vest-type restraining devices, unless such devices have been specifically approved by the Federal Aviation Administration under a Type Certificate (TC), Supplemental Type Certificate (STC), or Technical Standard Order (TSO). Customers are responsible for providing Carrier copies of TC, STC, or TSO documentation for review at the departure gate. Child restraint devices will be considered as items of carryon Baggage counting toward the adult Passenger's carryon allowance, unless the child has been ticketed and a seat reserved for use of the CRD.

c. Carriage of Passengers with Disabilities

- (1) Carrier will transport Qualified Individuals with a Disability in accordance with the requirements of the U.S. Department of Transportation regulations, 14 CFR Part 382, unless the Carriage of such individuals may impair the safety of the flight or violate Federal Aviation Regulations. Pursuant to 14 CFR § 382.113, the Carrier will not provide certain extensive inflight special services such as assistance in eating, assistance with elimination functions in the lavatory or at the Passenger's seat, or provision of medical services. Carrier may require, at its sole discretion, pursuant to 14 CFR § 382.29, that a Qualified Individual with a Disability be accompanied by a safety assistant as a condition of being provided air transportation in the following circumstances:
 - (i) When the Passenger is unable to comprehend or respond appropriately to safety instructions from Carrier, including the safety briefing required by 14 CFR §§ 121.571(a)(3) and (a)(4) because of a mental disability;
 - (ii) When the Passenger has a mobility impairment so severe that the Passenger is unable to physically assist in his or her own emergency evacuation of the aircraft; or
 - (iii) When the Passenger has both severe hearing and severe vision impairments that prevent the Passenger from establishing a means of communication with Carrier in order to permit transmission of the safety briefing required by 14 CFR §§ 121.571 (a)(3) and (a)(4).

If Carrier determines, in its sole discretion, that an individual meeting the criteria above must travel with a safety assistant and the individual disagrees and believes he is capable of traveling independently, Carrier will not charge the individual for Carriage of a safety assistant of the Carrier's choosing. If a seat is not available for the safety assistant and the individual with a disability is unable to travel on the flight, the individual will be eligible for denied boarding compensation. For purposes of determining whether a seat is available, the safety assistant shall be deemed to have checked in at the same time as the individual with the disability.

- (2) **Assistive Devices.** Mobility and other assistive devices used by a Qualified Individual with a Disability may be carried in the aircraft cabin in addition to the carryon Baggage allowance. If necessary due to the Passenger's disability, Carrier will provide assistance in loading, stowing, and retrieving carryon items, including assistive devices. If the device cannot be carried in the Passenger cabin in accordance with FAA regulations, the device will be checked and carried free of charge in addition to the free Baggage allowance. No oversize or excess weight charges will be assessed. Assistive devices not for the personal use of the Passenger will be accepted subject to a limited release of liability, and may be subject to oversized or overweight charges as described in 7f.
- (3) **Limitation of Liability.** Carrier's liability with respect to damage to or loss of mobility and other assistive devices shall not exceed the documented original purchase price of the assistive device pursuant to 14 CFR § 382.131. Carrier will also compensate the Passenger for other reasonable expenses incurred as a direct result of the loss of, damage to, or delayed delivery of the mobility or assistive device.
- (4) **Assistance Animals**
 - (i) Carrier permits fully trained dogs and other assistance animals used by a Qualified Individual with a Disability to accompany the Passenger onboard the aircraft at no charge. See [Section 8](#) for additional information for international travel.
 - (ii) Evidence that an animal is an assistance animal may consist of the presentation of identification cards, tags, or other written documentation; the presence of harnesses or markings on harnesses; or the credible verbal assurances of the Qualified Individual with a Disability using the assistance animal.
 - (iii) Carrier will permit an assistance animal to accompany a Qualified Individual with a Disability, unless Carrier determines in its sole discretion that the animal obstructs an aisle or other area that must remain unobstructed in order to facilitate an emergency evacuation or the animal poses a safety risk to Passengers and/or the flight crew. Assistance animals may not occupy a seat.

- (iv) A trained assistance animal accompanied by a trainer will be permitted to travel aboard Carrier's aircraft only if the animal is being delivered to the domicile of an individual with a disability who either owns or, upon delivery, will take immediate ownership of the animal for that individual's personal use. No charge will be assessed for Carriage of a trained assistance animal being delivered to the domicile of the animal's owner under such circumstances.
- (v) Assistance animals in training will not be accepted by Carrier for transport.
- (vi) Carrier retains the right, in its sole discretion, to refuse to transport any assistance animal exhibiting or known to have exhibited aggressive behavior or any other characteristics that appear incompatible with air travel.
- (vii) Local laws and regulations at a Qualified Individual's final or intermediate destination(s) may apply and impose further requirements or restrictions. Qualified Individuals assume full responsibility for compliance with all governmental laws and regulations, including but not limited to, health certificates, permits and vaccinations required by the country, state, or territory from and/or to which the assistance animal is being transported. Carrier is not liable for any assistance or information provided by the Carrier or any employee or agent thereof to any Qualified Individual relating to compliance with such laws and regulations. Subject to applicable laws and regulations, a Qualified Individual is solely responsible for any expenses incurred or any consequences resulting from his or her failure to comply with applicable laws and regulations. Carrier expressly reserves the right to seek reimbursement from a Qualified Individual for any loss, damage, or expense suffered or incurred by Carrier resulting from such Qualified Individual's failure to comply with applicable laws and regulations.

d. Pets

- (1) **Pets Allowed in the Cabin.** Carrier accepts small vaccinated domestic cats and dogs at least eight weeks old contained in a pet carrier and traveling with a Passenger. One pet carrier is allowed per Passenger. The carrier may contain up to two animals of the same species. Unaccompanied Minors may not travel with a pet. Carrier reserves the right to limit the number of pet carriers per flight to six, and pets will be accepted on a first-come, first-served basis.
- (2) **Pet Carriers.** All pets in the cabin must be carried in an appropriate pet carrier and remain in the carrier at all times (including head and tail) while in the gate area, during boarding/deplaning, and while onboard the aircraft. The carriers must be leak-proof and well-ventilated, and the pet(s) must be able to stand up and move around the carrier with ease. The carrier must be of a size small enough to fit under the seat in front of the Passenger and must remain stowed under the seat in front of the Passenger during the entire duration of the flight. Passengers traveling with a pet may not occupy an exit row seat or a seat with no forward under seat stowage.

- (3) **Pet Fares.** All occupied pet carriers are subject to the applicable pet fare. Pet reservations can only be booked by calling Southwest Airlines. The pet fare must be collected at the airport ticket counter, is nonrefundable, and may not be applied toward future travel if unused. Passenger traveling with a pet must check the pet in at the airport ticket counter and pay the pet fare before proceeding to the departure gate.
- (4) **Pets Incompatible with Air Travel.** Carrier retains the right, at its sole discretion, to refuse to transport any pet that exhibits aggressive behavior or any other characteristics that appear to Carrier to be incompatible with air travel at the airport, in the boarding gate area, or onboard the aircraft. The pet(s) must be healthy, harmless, inoffensive, odorless, and require no attention during the flight. If the pet becomes ill during the flight, oxygen or other first aid procedures will not be administered. In the event of an emergency, an oxygen mask will not be available for the pet. Carrier assumes no liability for the health or wellbeing of carryon pets.
- (5) **No Pets Carried in Cargo Compartment.** Carrier will not transport pets in the aircraft cargo compartments.
- (6) **No Pets are accepted on international itineraries.** See [Section 8](#) for additional information.

e. **Law Enforcement and Search and Rescue Dogs**

- (1) **Law Enforcement and Search and Rescue Dogs Allowed in the Cabin.** Carrier accepts fully-trained law enforcement service dogs trained in explosives or drug detection (or other specific functions) and search and rescue dogs for transportation, without charge, when accompanied by their respective handlers on official business. See [Section 8](#) for additional information for international travel.
- (2) **Documentation.** Each Customer traveling with a law enforcement or search and rescue dog must present a letter of mission and a copy of the animal's certification.
- (3) **Law enforcement and search and rescue animals in training** will not be accepted by Carrier for transport.
- (4) **Law Enforcement and Search and Rescue Dogs Incompatible with Air Travel.** Carrier retains the right, at its sole discretion, to refuse to transport any dog that exhibits aggressive behavior or any other characteristics that appear to Carrier to be incompatible with air travel at the airport, in the boarding gate area, or onboard the aircraft.
- (5) **No Law Enforcement or Search and Rescue Dogs Carried in Cargo Compartment.** Carrier will not transport law enforcement or search and rescue dogs in the aircraft cargo compartments.

7. Baggage

a. Carryon Baggage

- (1) General. Carrier, in its sole discretion, will determine whether or not any Baggage, because of its weight, size, contents, or character, may be carried in the Passenger cabin of the aircraft. All carryon Baggage must be stowed underneath a seat or in an overhead bin.
- (2) Responsibility of Passenger. Carryon Baggage is the sole responsibility of the Passenger.
- (3) Allowable Carryon Baggage. Passengers are restricted to one item of carryon Baggage (e.g., roller bag, garment bag, tote bag) that does not exceed external dimensions of 10" x 16" x 24" plus one smaller personal type item (e.g., purse, briefcase, laptop computer case, backpack, small camera), provided that such items are capable of being carried onboard the aircraft by one Passenger without additional assistance, unless the Passenger requires assistance due to a disability, and are capable of being stowed under a seat or in an overhead compartment. Sizing boxes or charts with 10" x 16" x 24" dimensions are located at many of Carrier's curbside check-in locations (where available), ticket counters, departure gates, boarding locations, and on many jetbridges. Carrier reserves the right to further restrict the number of carryon items.
 - (i) A roller bag that otherwise would meet the 10" x 16" x 24" dimensions if the wheels were removed will be accepted.
 - (ii) Oversized articles of reasonable carryon size that protrude from only one side of the sizing box or chart and, because of their fragile nature, would be at greater than normal risk of damage if carried in the cargo hold (e.g., blueprints, map tubes, fishing poles, artwork, media cameras/video equipment) are considered personal type items and may be carried in the passenger cabin if remaining onboard space permits and the item fits in an overhead bin without depriving other Passengers of sufficient overhead bin space.
 - (iii) A small musical instrument is considered a personal-type item and may be carried in the passenger cabin regardless of whether it meets the 10" x 16" x 24" dimensions if the instrument can be stowed safely in a suitable baggage compartment in the aircraft cabin or under a passenger seat, and there is space for such stowage at the time the Passenger boards the aircraft.
- (4) Outerwear. In addition to the carryon Baggage allowance provided herein, a coat, jacket, wrap, or similar outer garment may be carried onboard the aircraft.
- (5) Instruments and Equipment. The following conditions apply to acceptance for Carriage in the cabin of large musical instruments and electronic, computer, audio/video, or other equipment and parts thereof, the size or shape of which prevents such instruments or equipment from being handled as normal carryon Baggage.

- (i) The instrument or equipment must be contained in a case or covered so as to avoid injury to other Passengers.
 - (ii) A reservation must be made for the instrument or equipment at a charge no greater than the Child Fare for each seat used.
 - (iii) The instrument or equipment must be secured in the first window seat aft of a floor to ceiling bulkhead.
- (6) Carrier, at its sole discretion, will not transport items of carryon Baggage that it determines may be harmful or dangerous to a Passenger(s), the flight crew, or the aircraft.

b. Acceptance of Checked Baggage

- (1) General. Carrier, in its sole discretion, will accept personal property of the Passenger as Baggage subject to the following conditions:
- (i) Carrier will only accept Baggage for transportation on a flight on which the Passenger is transported.
 - (ii) Carrier will only accept Baggage for transportation if it and its contents can withstand ordinary handling, and if its weight, size, and character render it suitable for transportation on the particular aircraft on which it is to be carried, unless the Passenger agrees to assume the risk of checking the Baggage and the Carrier accepts the Baggage subject to a limited release of liability, as outlined in [Section 7h](#).
 - (iii) Each piece of Baggage tendered to Carrier must have a current identification tag or label with the Passenger's name, address, and telephone number.
 - (iv) With the exception of musical instruments and wheelchairs, mobility aids, and other assistive devices used by a Qualified Individual with a Disability, Carrier will not accept as Baggage any item having outside measurements (i.e., the sum of the greatest outside length plus height plus width) that exceed 80 inches or that weigh more than 100 pounds. Carrier will not accept as Baggage any musical instrument if the sum of the length, height, and width of the outside linear dimensions of the instrument (including case or covering) exceeds 150 inches, or the weight of the musical instrument exceeds 165 pounds (including case or covering).
 - (v) Carrier will not accept Baggage to an intermediate stop or connection point on the Passenger's Ticket or to a point beyond the Passenger's final ticketed destination.
 - (vi) Carrier will not accept Baggage that, because of its nature, contents, or characteristics (e.g., sharp objects, paint, corrosives, or other prohibited hazardous materials), might cause injury to Passengers or Carrier, damage to aircraft or other equipment, or damage to other Baggage.
 - (vii) Carrier will not accept Baggage that it determines cannot safely be carried in the Baggage compartment of the aircraft for any reason.

c. Surveillance and Inspection of Baggage

- (1) All Baggage tendered to Carrier for transportation is subject to surveillance and inspection by electronic and/or physical means with or without the Passenger's consent or knowledge by Carrier and/or authorized government agencies.

d. Checking of Baggage

- (1) Carrier will not accept or hold Baggage from a Passenger on day of travel at Carrier's airport ticket counter or curbside check-in locations (where available) if tendered to Carrier earlier than four hours in advance of flight departure time.
- (2) Where available, Baggage may be accepted at an earlier time at authorized offsite Baggage check-in facilities.
- (3) Baggage must be checked at Carrier's airport ticket counter or curbside check-in locations (where available) at least 45 minutes prior to the flight's scheduled departure time, See [Section 8](#) for additional requirements for international travel.
- (4) Baggage checked in less than 45 minutes prior to a flight's scheduled departure time is subject to [Section 7h\(8\)](#).

- (2) Military Baggage Allowance. Military Passengers traveling on active duty or permanent change of station (PCS) orders will be exempt from the two-piece Baggage limit and will not be subject to excess, oversize, or overweight Baggage charges, provided that none of the pieces of Baggage exceeds 100 pounds in weight and 80 inches in size (outside length plus height plus width).

 - (ii) Ammunition. Small arms ammunition intended for sport or hunting will be accepted only if carried within sturdy Checked Baggage and in the manufacturer's original container or an equivalent fiber, wood, or metal container specifically designed to carry ammunition and providing for sufficient cartridge separation. i. Limitations of Liability

- (1) General. The liability, if any, of Carrier for loss of, damage to, or delay in the delivery of Checked or carryon Baggage and/or its contents, with the exception of wheelchairs, mobility aids, and assistive devices used by a Qualified Individual with a Disability, is limited to the proven amount of damage or loss, but in no event shall be greater than \$3,500.00 per fare paying Passenger pursuant to 14 CFR § 254.4 unless the Passenger at time of check-in has declared the value of the baggage to be in excess of Three Thousand Five Hundred Dollars (\$3,500.00) ("excess valuation") and has paid an additional charge of One Dollar (\$1.00) for each One Hundred Dollars (\$100.00) of excess valuation.  - (ii) Southwest does not assume liability for claims of missing or damaged articles if a Passenger's Checked Baggage is not damaged, delayed, or lost.

(2) Excess Valuation

- (i) The declared excess valuation for baggage shall not exceed One Thousand Two Hundred and Fifty Dollars (\$1,250.00) above the Three Thousand Five Hundred Dollar (\$3,500.00) limitation of Carrier's liability established by this *Contract of Carriage*, for a total maximum declared valuation of Four Thousand Seven Hundred and Fifty Dollars (\$4,750.00). (3) Baggage Delivery

- (i) General. Carrier will pay delayed Checked Baggage delivery charges only so long as such Baggage was tendered to Carrier by the Passenger at least 45 minutes prior to the scheduled departure time of the Passenger's first flight. If a Passenger's Baggage is tendered to Carrier less than 45 minutes prior to the scheduled departure of the Passenger's first flight, Carrier will make reasonable efforts, but cannot guarantee, to transport such Baggage on the Passenger's flights, and Carrier will not assume responsibility for delivery charges if such Baggage arrives at the Passenger's destination on a subsequent flight.  - (i) In all cases, Passenger must notify Carrier of the claim and receive a Baggage report number not later than four hours after either: (1) arrival of the flight on which the loss, damage, or delay is alleged to have occurred or (2) receipt of the Baggage, whichever is applicable to the claim; and
 - (ii) In all cases, Passenger must submit either: (1) the completed Lost/Delayed Report Receipt form provided by Carrier or (2) a written correspondence that includes the Baggage report number to the Carrier not later than 21 days after the occurrence of the event giving rise to the claim; and

8. International Travel

a. Application of Montreal or Warsaw Convention

- (1) For the purposes of international carriage governed by the Montreal Convention or the Warsaw Convention, whichever may apply, the liability rules set out in the applicable Convention as implemented by this Section are fully incorporated by reference in this *Contract of Carriage* and shall supersede any other provisions of this contract which may be inconsistent with those rules.

b. Death or Injury of Passengers

- (1) The Carrier shall be liable under Article 17 of the Montreal Convention or Warsaw Convention, whichever may apply, for recoverable compensatory damages sustained in the case of death or bodily injury of a Passenger, as provided in the following paragraphs:
 - (i) The Carrier shall not be able to exclude or limit its liability for damages not exceeding 113,100 Special Drawing Rights for each Passenger.
 - (ii) The Carrier shall not be liable for damages to the extent that they exceed 113,100 Special Drawing Rights for each Passenger if the Carrier proves that:
 - (a) such damage was not due to the negligence or other wrongful act or omission of the Carrier or its servants or agents; or
 - (b) such damage was solely due to the negligence or other wrongful act or omission of a third party.
 - (iii) The Carrier reserves all other defenses and limitations available under the Montreal Convention or Warsaw Convention, whichever may apply, to such claims including, but not limited to, the exoneration defense of Article 20 of the Montreal Convention and Article 21 of the Warsaw Convention, except that the Carrier shall not invoke Articles 20 and 22(1) of the Warsaw Convention in a manner inconsistent with paragraphs (i) and (ii) hereof.
 - (iv) With respect to third parties, the Carrier reserves all rights of recourse against any other person, including, without limitation, rights of contribution and indemnity.
 - (v) The Carrier agrees that, subject to applicable law, recoverable compensatory damages for such claims may be determined by reference to the laws of the country of the domicile or country of permanent residence of the Passenger.
- (2) In cases of bodily injury or death, the Carrier shall make an advance payment where the Carrier determines it is necessary to meet the immediate economic needs of, and hardship suffered by, a Passenger as provided in the following paragraphs:
 - (i) Unless a dispute arises over the identity of the person to whom an advance payment shall be made, the Carrier shall, without delay, make the advance payment to the Passenger in an amount or amounts determined by the Carrier in its sole discretion. In the event of death of a Passenger, the amount of the advance payment shall not be less than 16,000 Special Drawing Rights, which shall be paid to a representative of the Passenger's next of kin eligible to receive such advance payment as determined by the Carrier in its sole discretion.

- (ii) The Carrier shall make the advance payment as an advance against the Carrier's liability under the Montreal Convention or the Warsaw Convention, whichever may apply. An advance payment shall not constitute recognition of liability. An advance payment shall be offset against, or deducted from the payment of, any settlement or judgment with respect to any claim for compensation on behalf of the Passenger.
- (iii) The Carrier, in making an advance payment, does not waive any rights, defenses, or limitations available under the Montreal Convention or the Warsaw Convention, whichever may apply, to any claim, nor shall acceptance of an advance payment constitute a release of any claim, whatsoever, by any person.
- (iv) The Carrier, in making an advance payment, preserves its right to seek contribution or indemnity from any other person for such payment, which shall not be deemed to be a voluntary contribution or contractual payment on the part of the Carrier.
- (v) The Carrier may recover an advance payment from any person where it is proven that the Carrier is not liable for any damage sustained by the Passenger, or where it is proven that the person was not entitled to receive the payment, or where and to the extent that it is proven that the person who received the advance payment caused, or contributed to, the damage.

c. Delay of Passengers

- (1) The Carrier shall be liable for damage occasioned by delay in the carriage of Passengers by air, as provided in the following paragraphs:
 - (i) The Carrier shall not be liable if it proves that it and its servants and agents took all measures that could reasonably be required to avoid the damage, or that it was impossible for it or them to take such measures.
 - (ii) Airport, Air Traffic Control, security, and other facilities or personnel, whether public or private, not under the control and direction of the Carrier are not servants or agents of the Carrier, and the Carrier is not liable to the extent the delay is caused by these kinds of facilities or personnel.
 - (iii) Damages occasioned by delay are subject to the terms, limitations and defenses set forth in the Montreal Convention and the Warsaw Convention, whichever may apply. They include foreseeable compensatory damages sustained by a Passenger and do not include mental injury damages.
 - (iv) The Carrier reserves all defenses and limitations available under the Montreal Convention or the Warsaw Convention, whichever may apply to claims for damage occasioned by delay, including, but not limited to, the exoneration defense of Article 20 of the Montreal Convention and Article 21 of the Warsaw Convention. Under the Montreal Convention, the liability of the Carrier for damage caused by delay is limited to 4,694 Special Drawing Rights per Passenger. The limits of liability shall not apply in cases described in Article 22 (5) of the Montreal Convention or Article 25 of the Warsaw Convention, whichever may apply.

d. Destruction, Loss, or Delay of Baggage

- (1) The Carrier is liable for damages sustained in the case of destruction or loss of, damage to, or delay of checked and unchecked Baggage, as provided in the following paragraphs:
 - (i) Except as provided below, the liability of the Carrier is limited to 1,131 Special Drawing Rights for each passenger in the case of destruction, loss, damage, or delay of Baggage, whether checked or unchecked, under the Montreal Convention or the Warsaw Convention, whichever may apply. Unless the Passenger proves otherwise: (a) all Baggage checked by a Passenger shall be considered to be the property of that Passenger; (b) a particular piece of Baggage, checked or unchecked, shall not be considered to be the property of more than one Passenger; (c) unchecked Baggage, including personal items, shall be considered to be the property of the Passenger in possession of the Baggage at the time of embarkation.
 - (ii) If a Passenger makes, at the time checked Baggage is handed to the Carrier, a special declaration of interest and has paid a supplementary sum, if applicable, the Carrier will be liable for destruction, loss, damage, or delay of such checked Baggage in an amount not exceeding the declared amount, unless the Carrier proves that the declared amount is greater than the Passenger's actual interest in delivery at destination. The declared amount, and the Carrier's liability, shall not exceed the total amount of declaration permissible under the Carrier's regulations, inclusive of the limitation of paragraph (1)(i) hereof. In the case of transportation under the Warsaw Convention, no supplementary sum shall apply unless the declared amount exceeds 19 Special Drawing Rights per kilogram of the total recorded weight of the checked Baggage at the time the Baggage is handed to the Carrier. Nevertheless, the Carrier may impose charges for pieces of Baggage in excess of any free allowance the Carrier may provide.
 - (iii) In the case of unchecked Baggage, the Carrier is liable only to the extent the damage resulted from its fault, or that of its servants or agents.
 - (iv) The Carrier is not liable for destruction, loss, damage, or delay of baggage not in the charge of the Carrier, including Baggage undergoing security inspections or measures not under the control and direction of the Carrier.
 - (v) The Carrier reserves all defenses and limitations available under the Montreal Convention and the Warsaw Convention, whichever may apply, to such claims including, but not limited to, the defense of Article 20 of the Warsaw Convention and Article 19 of the Montreal Convention, and the exoneration defense of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention, except that the Carrier shall not invoke Article 22(2) and (3) of the Warsaw Convention in a manner inconsistent with paragraph (i) hereof. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22 (5) of the Montreal Convention, whichever may apply.

e. Time Limitations on Claims and Actions

- (1) Under the Montreal Convention and the Warsaw Convention, whichever may apply, an action for damages must be brought within two years, and a complaint must be made to the Carrier no later than seven calendar days in the case of damage to baggage, and 21 calendar days in the case of delay thereof.

f. International Travel Documents

- (1) Each Passenger traveling on an international itinerary is solely responsible for obtaining and completing all documentation required for entry into and exit from each country, as well as for complying with the laws, requirements or procedures of each country listed on such itinerary. Carrier is not liable for any assistance or information provided by any employee or agent of Carrier to any Passenger relating to such documents or compliance with such laws.
- (2) Parents/guardians of minor children are responsible for compliance with all requirements and procedures for minor children traveling internationally, which may include, but may not be limited to, documentary evidence, such as a notarized letter of relationship and permission for the child's travel from the birth parent(s) or legal guardian(s) not present.
- (3) Carrier reserves the right, in its sole discretion, to deny boarding to any Passenger whose documentation is deemed by either Southwest or a governmental agency to be insufficient for travel or who otherwise does not comply with laws, requirements or procedures of the specific country the Passenger is traveling to, departing from, transiting through, or returning to.
- (4) Subject to applicable laws and regulations, the Passenger is solely responsible for any expenses incurred or any consequences resulting from his or her failure to obtain, complete, or present sufficient documentation for entry into and exit from each country, as well as for complying with the applicable laws and regulations. Carrier expressly reserves the right to seek reimbursement from the Passenger for any loss, damage, or expense suffered or incurred by Carrier resulting from Passenger's failure to obtain, complete, or present sufficient documentation for entry into and exit from each country, as well as for complying with the applicable laws and regulations.

g. Foreign Currency

- (1) To the extent permitted by local law, Passenger agrees to contract exclusively in U.S. dollars.
- (2) All refunds will be subject to government laws, rules, regulations, or orders of the country in which the Ticket was originally purchased and of the country in which the refund is being made.
- (3) Refunds will be made in the currency in which the fare was paid, or, at Carrier's election where legally permissible, in U.S. dollars in the amount equivalent to the amount due in the currency in which the fare or fares for the flight covered by the Ticket as originally issued was collected.

h. Check-in Times for International Flights

- (1) Minimum check-in time for Passengers (with or without checked baggage) is at least 60 minutes prior to scheduled departure. Passengers who do not meet this check-in time will not be permitted to check-in or board the flight. For flights departing Aruba, the minimum check-in time for Passengers (with or without checked baggage) is at least 75 minutes prior to scheduled departure. Passengers who do not meet this check-in time will not be permitted to check-in or board the flight.
- (2) Passengers must arrive at the gate and be ready to board at least 10 minutes prior to scheduled departure. See [Section 2a\(2\)](#) for complete information on check-in requirements.

i. Travel by Minors

- (1) Unaccompanied Minor Travel. Carrier will not transport unaccompanied minor children on international itineraries. No person under the age of 18 is permitted to travel on an international flight unless accompanied by a parent or companion at least 18 years of age or older.
- (2) Minors Accompanied by One Parent or Someone who is not a Parent. Special documentation may be required for admission to or departure from certain countries when a minor child is accompanied by only one parent or a person who is not the minor's legal guardian. See [Section 8\(f\)](#) International Travel Documents herein.

j. Carriage of Animals

- (1) Pets. No pets are accepted on international itineraries.
- (2) Law Enforcement and Search and Rescue Dogs. Law enforcement and search and rescue dogs are allowed subject to the requirements contained in [Section 6\(e\)](#), except where prohibited due to a conflict of law.
- (3) Assistance Animals. Assistance animals for Qualified Individuals with a Disability are accepted as required by 14 CFR 382, except where prohibited due to a conflict of law.

k. Firearms

- (1) Carrier will not accept firearms or ammunition for international travel.

9. Service Interruptions

a. Failure to Operate as Scheduled

- (1) Canceled Flights or Irregular Operations. In the event Carrier cancels or fails to operate any flight according to Carrier's published schedule, or changes the schedule of any flight, Carrier will, at the request of a Passenger with a confirmed Ticket on such flight, take one of the following actions:
 - (i) Transport the Passenger at no additional charge on Carrier's next flight(s) on which space is available to the Passenger's intended destination, in accordance with Carrier's established reaccommodation practices; or
 - (ii) Refund the unused portion of the Passenger's fare in accordance with [Section 4c](#).
- (2) Diverted Flights. In the event Carrier diverts any flight, Carrier, at its sole discretion, will take reasonable steps to transport Passenger to his final destination or to provide reasonable accommodations.
- (3) Flight Schedule Changes. Flight schedules are subject to change without notice, and the times shown on Carrier's published schedules, Tickets, and advertising are not guaranteed. At times, without prior notice to Passengers, Carrier may need to substitute other aircraft and may change, add, or omit intermediate stops. Carrier cannot guarantee that Passengers will make connections to other flights by the Carrier or by other airlines. In the event of flight schedule changes or service withdrawals, Carrier will attempt to notify affected Passengers as early as possible.
- (4) Limitation of Liability. Except to the extent provided in [Section 9a](#), Carrier shall not be liable for any failure or delay in operating any flight, with or without notice for reasons of aviation safety or when advisable, in its sole discretion, due to Force Majeure Events, including, without limitation, acts of God, meteorological events, such as storms, rain, wind, fire, fog, flooding, earthquakes, haze, or volcanic eruption. It also includes, without limitation, government action, disturbances or potentially volatile international conditions, civil commotions, riots, embargoes, wars, or hostilities, whether actual, threatened, or reported, strikes, work stoppage, slowdown, lockout or any other labor related dispute involving or affecting Carrier's service, mechanical difficulties by entities other than Carrier, Air Traffic Control, the inability to obtain fuel, airport gates, labor, or landing facilities for the flight in question or any fact not reasonably foreseen, anticipated or predicted by Carrier.

b. Denied Boarding Procedures

- (1) The following definitions, as prescribed in 14 CFR § 250.1, pertain solely to the denied boarding compensation provisions of this Section:

Airport means the airport at which the direct or connecting flight on which the Passenger holds confirmed reserved space is planned to arrive, or some other airport serving the same metropolitan area, provided that the transportation to the other airport is accepted (i.e., used) by the Passenger.

Alternate transportation means air transportation with a confirmed reservation at no additional charge, operated by a Carrier as defined below, or other transportation accepted and used by the Passenger in the case of denied boarding.

Class of service means seating in the same cabin class such as First, Business, or Economy class, or in the same seating zone if the Carrier has more than one seating product in the same cabin such as Economy and Premium Economy class.

Confirmed reserved space means space on a specific date and on a specific flight and class of service of a Carrier which has been requested by a Passenger, including a Passenger with a “zero fare ticket,” and which the Carrier or its agent has verified, by appropriate notation on the ticket or in any other manner provided therefore by the Carrier, as being reserved for the accommodation of the Passenger.

Fare means the price paid for air transportation including all mandatory taxes and fees. It does not include ancillary fees for optional services.

Stopover means a deliberate interruption of a journey by the Passenger, scheduled to exceed four hours, at a point between the place of departure and the place of final destination.

Zero fare ticket means a ticket acquired without a substantial monetary payment such as by using frequent flyer miles or vouchers, or a consolidator ticket obtained after a monetary payment that does not show a fare amount on the ticket. A zero fare ticket does not include free or reduced rate air transportation provided to airline employees and guests.

- (2) Request for Volunteers.
- (i) In the event of an oversold flight, Carrier shall request volunteers for denied boarding before using any other boarding priority in accordance with 14 CFR § 250b. A “volunteer” is a person, including the holder of a zero fare ticket, who responds to Carrier's request for volunteers and who willingly accepts Carrier's offer of compensation, in any amount, in exchange for relinquishing his confirmed reserved space. Any other Passenger denied boarding is considered to have been denied boarding involuntarily, even if that Passenger accepts denied boarding compensation.

- (ii) Carrier will advise each Passenger solicited to volunteer for denied boarding, no later than the time the Carrier solicits that Passenger to volunteer, whether he or she is in danger of being involuntarily denied boarding and, if so, the compensation the Carrier is obligated to pay if the Passenger is involuntarily denied boarding. If an insufficient number of volunteers come forward, Carrier may deny boarding to other Passengers in accordance with Carrier's boarding priority rules as specified in [Section 6](#).
- (3) Conditions for Payment of Compensation to Passengers Involuntarily Denied Boarding due to an Oversale. Subject to the exception in [Section 4](#), Carrier will tender to a Passenger the amount of compensation specified in [Section 5](#), provided that:
 - (i) The Passenger holds a Ticket, including a Zero Fare Ticket, for confirmed reserved space and presents himself for Carriage at the appropriate time and place, having complied fully with Carrier's requirements as to ticketing, check-in, and acceptability for transportation in accordance with this *Contract of Carriage*; and
 - (ii) Other than for reasons set forth in [Section 6](#), or when resulting from substitution, for operational or safety reasons, of an aircraft having a lesser seating capacity than the aircraft originally scheduled, Carrier is unable to accommodate the Passenger on the flight for which the Passenger holds confirmed reserved space, and such flight departs without the Passenger.
- (4) Comparable Transportation. The Passenger will not be eligible for compensation if Carrier offers comparable air transportation, or other transportation used by the Passenger at no extra cost, that, at the time such arrangements are made, is planned to arrive at the airport of the Passenger's next stopover or, if none, at the airport of the Passenger's final destination no later than one hour after the planned arrival time of the Passenger's original flight or flights.
- (5) Involuntarily Denied Boarding Compensation for an Oversale in Accordance with 14 CFR Part 250(c).
 - (i) Compensation shall be 200% of the fare to the Passenger's destination or first stopover, with a maximum of \$675, if the Carrier offers alternate transportation that, at the time the arrangement is made, is planned to arrive at the airport of the Passenger's first stopover, or if none, the airport of the Passenger's final destination more than one hour but less than two hours after the planned arrival time of the Passenger's original flight on a domestic itinerary and more than one hour but less than four hours after the planned arrival time of the Passenger's original flight on an international itinerary; and
 - (ii) Compensation shall be 400% of the fare to the Passenger's destination or first stopover, with a maximum of \$1,350, if the Carrier does not offer alternate transportation that, at the time the arrangement is made, is planned to arrive at the airport of the Passenger's first stopover, or if none, the airport of the Passenger's final destination less than two hours after the planned arrival time of the Passenger's original flight on a domestic itinerary and less than four hours after the planned arrival time of the Passenger's original flight on an international itinerary.

- (iii) Compensation will be paid by Carrier on the day and at the place where the denied boarding occurs, except that if Carrier arranges, for the Passenger's convenience, alternate means of transportation that departs before the payment can be made, payment will be sent by mail or other means within 24 hours after the time the denied boarding occurs.
 - (iv) Compensation will initially be provided in the form of a draft payable to the Passenger. With the Passenger's consent, Carrier may also offer travel credit to be applied toward future travel in lieu of the draft. The Passenger may refuse Carrier's offer of travel credit and insist on receiving compensation by draft in the amount specified in [Section 5](#).
 - (v) Acceptance of compensation by the Passenger relieves Carrier from any further liability to the Passenger caused by Carrier's failure to honor the confirmed reservation.
- (6) Denied Boarding Priority Rules. Carrier's boarding priority is established on a first-come, first served basis in the order boarding positions are secured. In determining which Passengers holding confirmed reserved space shall be denied boarding involuntarily, Carrier shall deny boarding in reverse order from the order in which the Passengers' boarding positions were secured (i.e., the last Passenger who receives a boarding position will be the first Passenger denied boarding involuntarily in an oversale situation), with no preference given to any particular person or category of fares.
- (7) Written Explanation of Denied Boarding Compensation and Boarding Priority Rules. When a denied boarding occurs, Carrier will give Passengers who are denied boarding involuntarily a written explanatory statement describing the terms and conditions of denied boarding compensation and Carrier's boarding priority rules.
- (8) In addition to the denied boarding compensation specified herein Carrier shall refund all unused ancillary fees for optional services paid by a Passenger who is voluntarily or involuntarily denied boarding. Carrier is not required to refund the ancillary fees for services that are provided with respect to the Passenger's alternate transportation.

c. Ground Transportation

- (1) Unless provided at the direction of Carrier, Carrier does not assume responsibility for the ground transportation of any Passenger or his Baggage between any airport used by Carrier and any other location. Ground Transportation is at the Passenger's expense.

10. Miscellaneous

a. Claims

- (1) No claim for personal injury or death of a Passenger will be entertained by Carrier unless written notice of such claim is received by Carrier within 21 days after the occurrence of the event giving rise to the claim.
- (2) No legal action on any claim described above may be maintained against Carrier unless commenced within one year of the Carrier's written denial of a claim, in whole or in part.
- (3) See [Section 8](#) for additional information for international travel.

b. Customer Service Commitment

- (1) The *Southwest Airlines Customer Service Commitment (CSC)* is incorporated by reference in this *Contract of Carriage*. Carrier's CSC further explains, augments, and expands upon Carrier's policies, procedures, methods of operation, obligations, and dedication to Customer safety, service, and satisfaction in accordance with 14 CFR § 259.5.

c. Choice of Law, Entire Agreement

- (1) Any and all matters arising out of or relating to this *Contract of Carriage* and/or the subject matter hereof shall be governed by, construed, and enforced in accordance with the laws of the United States of America and, to the extent not preempted by Federal law, the laws of the State of Texas without regard to conflict of law principles, regardless of the legal theory upon which such matter is asserted. This *Contract of Carriage* represents the entire, integrated agreement between the parties relating to transportation by Carrier, and shall supersede all prior representations, understandings or agreements pertaining thereto, either oral or written. No other covenants, warranties, undertakings or understandings may be implied, in law or in equity.
