

Messaging¹ and movies² fly free.

Stay connected through WhatsApp or iMessage and watch movies through the Southwest® app. All onboard. All for free.

¹Messaging service only allows access to iMessage and WhatsApp (must be downloaded before the flight). ²To view movies and select on-demand TV content, download the Southwest app from the Google Play Store or Apple App Store before your flight.

Get your device ready to connect.

Before takeoff, download the Southwest® app for movies and on-demand TV. Then access our free Inflight Entertainment Portal at Southwestwifi.com to start the show.

Step 1

Head to your Settings. Switch your device to Airplane Mode, then turn your WiFi on.

Step 2

Choose **SouthwestWiFi** from your WiFi network list. A new page will appear with a link to Southwestwifi.com or with an option to copy the url. Click on the link or copy it into your browser.

www.southwestwifi.com

Step 3

If the Inflight Entertainment Portal doesn't load automatically, type www.southwestwifi.com into the address bar.

Step 4

Select your entertainment and enjoy! Certain content may require downloading the Southwest app.

Get even more with WiFi. \$8*

From browsing the web to answering email, stay productive with paid WiFi. WiFi is not required to access the Inflight Entertainment Portal and free content.

¹Internet access for \$8 a day per device on WiFi-enabled aircraft. Price is subject to change. May not be available full duration of flight. In order to provide a top-notch WiFi experience, we prohibit access to certain high-bandwidth applications and websites, including Netflix, HBO GO® and VoIP. We also prohibit access to certain obscene or offensive content. *Available only on WiFi-enabled aircraft. Limited-time offer. Where available.

A few of our favorites, all for free.^{2*}

To access all of our free movies from your mobile device or tablet, download the Southwest® app from the Google Play Store or Apple App Store before your flight.
